Pass Rates

While there are no membership fees to play at Woods Tennis Center we do have the Pass system available for the avid player. The Summer Pass is a great way to show your support with funding for Woods Tennis Center and present opportunities to save money over time. These Passes save the holder money by reducing court rates, private and semi-private lesson fees, and allow each holder to play on the outdoor courts for FREE. Winter and Annual Passes will be available for purchase the end of August and take effect September 1st. Summer Passes must be purchased by June 1st. The only exception made in purchasing a Pass after these dates will be for those that move into town after this time. Please inquire at the front desk to purchase a Pass.

Pass fees shown do not include tax.
