Pass Rates

While there are no membership fees to play at Woods Tennis Center we do have the Pass system available for the avid player or those that frequently take private lessons. The Winter Pass and Annual Pass are great ways to show your support with funding for Woods Tennis Center and save money. Passes save the holder money by reducing court rates, private and semi-private lesson fees, and allow each holder to play on the outdoor courts for free. Again, this year court rate fees Monday-Thursday from 11 a.m.-3 p.m. will be a reduced rate with a Pass. This rate applies to **DROP IN** court time purchases only. If you make a reservation in advance this rate does not apply. Winter and Annual Passes **MUST be purchased by October 15, 2016**. The only exception made in purchasing a Pass after this date will be for those that move into town after this time. Please inquire at the desk to purchase a Pass.

Pass fees shown do not include tax.
