Junior Class Descriptions at Community Facilities Across Lincoln

Woods Tennis Center has offered summer tennis lessons at public parks, schools, and other locations across the entire city since 2008. Our motto of "Taking the Game to the Community" is just that; we bring the game to you so that your children can walk, ride a bike, or get a ride to a location near home. If participants progress and want to continue with higher-level lessons, they will have a proper foundation after taking these inexpensive lessons close to home and the ability to take higher level lessons at Woods.

Advanced Beginner (Orange), Beginner (Red) and Little Aces (Foam) classes are all run according to the [USTA Youth Pathway](#) Guidelines. Youth Pathway tennis uses size, age and skill appropriate courts, balls and racquets to help players develop all tennis related skills and progress at a faster rate.

Advanced Beginner (Orange): 7-13 years old

Orange balls
60' court
Maximum 25" racquet

Beginner (Red): 7 – 12 years old

Red Balls

Little Aces (Foam): 4-6 years old

Additional Benefits-Free Racquets

All new participants will be provided with a free racquet to keep that is size, skill, and age appropriate if they do not have their own racquet or cannot afford one. Over the past 9 years, Woods Tennis Center has provided over 3,500 racquets to first time players and those in need.

Number of participants at each location is limited to ensure that there is a 6:1 student-teacher ratio. If classes are maxed out, students will have the opportunity to participate in programs at other city locations or at Woods Tennis Center. We also reserve the right to combine classes, hours, or sites based on registration numbers. Please register early to guarantee your park of choice. A minimum of two participants is necessary for lessons to take place at a site. **Recruit friends to guarantee that the class you register for runs accordingly.**

Inclement Weather Policy

All decisions to cancel a class along with make up information will be posted on our Facebook page. Classes are not cancelled until approximately 30 minutes prior to class or as inclement weather occurs. We make every effort to have courts prepared so that we will not need to make up any classes. All classes at least half completed will not be made up. If more than half of a class is affected we will either schedule a make up class or allow your child the opportunity to attend a class at another site or time.
